

Gulf PROTEC 10W-40 – *Part Synthetic Motor Oil*

Gulf Racing SPEC Oils Series Description

The Gulf PROTEC 10W-40 is the only engine oil in the Gulf's world-leading flagship series that balances sports performance and economy.

The base oil is blended with a good balance of PAO and Mineral (Group II Base Oil), The Gulf PROTEC 10W-40 is a high-performance part synthetic engine oil that realizes strong oil film and friction reduction with state-of-the-art proprietary additive technology.

Product Description

- This is a partially synthesized high-performance engine oil containing PAO + Mineral (Group II Base Oil) in base oil.
- Gulf PROTEC 10W-40 adopts SAE 40, which is often designated for European vehicles, it is an engine oil that balances sports performance and economy with high durability at higher dimensions.
- Stable hydraulic pressure protects the inside of engines precisely during high load driving and high rotation on such as Autobahn or Autoroute.
- It can handle a wide range of vehicles from NA vehicles to turbo and supercharger-equipped vehicles, and fully enhance their performances.

Features & Benefits

- Gulf PROTEC 10W-40 has excellent heat resistance and stable engine protection performance.
- The SAE 40, which has thermal-resistant properties, maintains a strong oil film even in high temperatures to protect the metal surface from wear.
- Excellent oxidation stability reduces the generation of sludge and carbon deposited inside engines and maintains an appropriate engine inside condition.
- It can be recommended with confidence for cars that drive at high speed or long distances.

Specifications, Approvals & Typical Properties

Specifications		10W-40
No formal specifications can be claimed, this Oil contain Performance additives designed to achieve API SN		
Typical Properties	JIS Method	Typical Values
Density @15°C	K 2249-1	0.865
Viscosity @40°C	K 2283	98.66
Viscosity @100°C	K 2283	14.60
Viscosity Index	K 2283	153
Flash Point, °C	K 2265-4	232
Pour Point, °C	K 2269	-35.0
Package		Per Box(Packing)
1 Liter CAN		CAN 1L x 6
20 Liter CAN		CAN 20L

18092019
